THE MODERN CLASSROOM

ActivPanel

INTERACTIVE FLAT PANELS
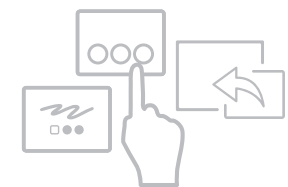

Powered by

The
Activ**Panel**

the next generation of front of class interactive displays creates a seamless, connected teaching and learning experience that brings all content and classroom interactivity to life in one easy solution.

It's simple to set-up, get started and maintain with no calibration or lamp replacement.
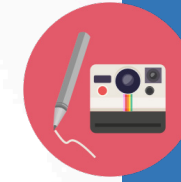

It creates one place for teachers to wirelessly share their lessons, easily access content, and download and use their favourite apps.
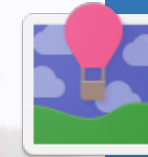

Teachers and students can use the tablet-like functionality to interact with content, simultaneously write and draw, and connect mobile devices to mirror content and collaborate.

A TABLET-LIKE EXPERIENCE AT YOUR FINGERTIPS

DESIGNED FOR TOUCH
Interact, draw or write while presenting a lesson, browsing a website or watching a video.

CAPTURE & SAVE WORK
Capture annotations, slides and notes during the lesson to send to each student.

INSTANT WHITEBOARDING
Launch the Instant Whiteboard to write and draw freely to maximise teaching and learning in the moment.

EDUCATIONAL APPS
Launch any Android app store to browse and download apps, games and other content to use on the ActivPanel.

INTERACTIVE WEB BROWSING
Select the built-in web browser to quickly search for information.

ACCESS CLASSFLOW
Instantly start a ClassFlow lesson and access existing resources and content saved in ClassFlow Drive. Easily sign up for a free ClassFlow account at www.classflow.co.uk.

DELIVER AND SHARE LESSONS FROM ANYWHERE IN THE ROOM

ActivCast

MIRROR MOBILE DEVICES
Wirelessly mirror mobile devices, including smartphones, tablets and laptops onto the ActivPanel by easily scanning a QR code or entering a system code.

MIRRORING MADE SIMPLE
Using Promethean's ActivCast™ App ensures you can wirelessly connect Windows®, Mac OS®, iOS®, Chrome OS™ or Android™ to start mirroring.

COLLABORATE IN REAL-TIME
Students can use a connected mobile device to receive, send, or interact with digital lesson content.

MOVE FREELY THROUGHOUT THE CLASSROOM
Easily connect mobile devices using the dual network capability. Teachers can take advantage of the wireless mirroring to share their content from anywhere in the room.

A NEW LEVEL OF INTERACTIVE TECHNOLOGY FOR THE CLASSROOM

INSTANT INTERACTIVITY & COLLABORATION
Collaborate using 10 simultaneous touch points and digital pen. A touch response time of 6 milliseconds ensures the technology can keep up with your students.

PRECISE TOUCH SURFACE
ActivGlide Technology™ provides an extremely durable glass surface that prevents finger burn and creates a smooth and seamless touch experience.

EXTERNAL ANDROID
Promethean's external Android device is included with the ActivPanel and provides a built-in app store.

INTELLIGENT DESIGN
Innovation in computing power doubles every 2 years. We will ensure that you have the latest and greatest by offering an upgradeable solution that allows you to replace your existing Promethean Android device with the most up-to-date technology.

CAPTIVATING VISUALS
Full range of sizes and resolution to suit rooms and budgets. Wide viewing angle ensures the entire class has an optimal viewing angle.

AWARD-WINNING SOFTWARE INCLUDED
Create and deliver interactive lessons and assessments with our award-winning software, ClassFlow and ActivInspire. *ClassFlow account required. www.classflow.co.uk

POWERFUL STEREO SOUND
Built-in speakers will fill your classroom with deep, crystal-clear sound.

FUTURE-READY CONNECTIVITY
A variety of connectivity options, including 4 HDMI ports, 4 USB touch, 2 OPS slots, VGA, Audio, Source Switched USB Hub and more to connect your existing devices.

LONG-TERM USE
Designed for use in education, the ActivPanel solution and glass display are extremely durable. A five-year onsite warranty (subject to registration) provides peace of mind.
